NOTICE OF PROPOSED RULE MAKING

Adopted: February 8, 2002

Released: February 14, 2002

Comment Date: April 8, 2002

Reply Comment Date: April 23, 2002

By the Chief, Video Services Division:

1. The Commission has before it a petition for rule making filed by Bowling Green State University ("BGSU"), licensee of noncommercial educational television station WBGU-TV, NTSC channel *27, Bowling Green, Ohio. BGSU requests the substitution of DTV channel *20 for station WBGU-TV's assigned DTV channel *56.

2. BGSU states that as the educational agency of the State of Ohio, it initiated a search for an in-core channel which would enable station WBGU-TV to preserve its limited financial resources. BGSU maintains that it does not have the financial resources to construct a DTV station on channel *56 though the transition period and then construct another DTV station on channel *27. BGSU submits that adoption of its channel substitution proposal will permit the station to reduce its construction costs and apply those savings to additional programming.

3. We believe BGSU's proposal warrants consideration. DTV Channel *20 can be substituted for DTV Channel *56 at Bowling Green, Ohio, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (41-08-13 N. and 83-54-23 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). Since the community of Bowling Green is within 400 kilometers of the U.S.-Canadian border, concurrence from the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel *20 for DTV Channel *56 for station WBGU-TV at Bowling Green with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
OH Bowling Green	*20	200	320

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Bowling Green, Ohio	*56	*20

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 8, 2002, and reply comments on or before April 23, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the

time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
